Subscription for 1 year *AUS \$30.00*

If you don't use PayPal (which is cheaper), then you can pay through **electronic banking** (our preferred option) to transfer your subs to us via John Ferguson. If you are able to do this, then send your subs to: BSB: 033 077 / Account: 109 937 / Name: New Imperial Owners Association, and drop John an e-mail to say that it's been done please (johnferguson@inet.net.au). If you don't use either PayPal or electronic banking, then you can **post** cash to the address below.

To use **PayPal** you will have to pay GBP1.00 extra for fees, so please send **GBP11.00** and use our e-mail address of info@new-imperial.co.uk

Mr. John Ferguson, N.I.O.A., 8 Delatite Court,
YALLAMBIE, Victoria 3085

U.K. DATA PROTECTION ACT: Your name, address and machine details will be kept on a computer database. This information is available only to NIOA members and for NIOA use. If you object to your details being kept on our database, please advise at the time you return this form. Also, it is a government regulation that you must not compile your own mailing list from members details, nor pass their details to a third party.

(FOR OFFICE USE ONLY: Membership Number: _____ Renewal Date: _____)

YOUR MACHINE DETAILS FOR THE REGISTER

Since its formation, the NIOA has been recording engine, frame and gearbox numbers of machines owned by its members. We require as many valid numbers as possible, from complete machines, spare frames, engines and gearboxes, or even damaged parts. From this information we hope, in some part, to recreate the missing factory production records.

	Machine 1	Machine 2	Machine 3
Year			
Model			
Capacity			
Frame Number			
Engine Number			
Gearbox Number (if any)			
Sidecar fitted?			
Registration Number			

For Pre-1927 machines: Please indicate the position of the engine number. This signifies JAP or New Imp manufacture (some JAP-manufactured engines were marked as New Imp).

Drive Side Crankcase			
Front of Crankcase			
Top of Timing Chest			

Any other information (known history, comments, queries, etc.):
